## DEPARTMENT OF ENERGY

### NOTIFICATION

The 13th October 2014

No. 8131—ENG-RR-OERC-0004/2014-En.—In order to provide uninterrupted power supply and to reduce losses, the State Government have launched various schemes in transmission and distribution sectors. Itemwise approved schedule of rates are not available at present for external electrical works. These rates are required for estimation, budgeting, external finances remunerative purposes which are being recovered from consumers by the licensees. The rates are usually arrived at by considering market condition of procurement, labour, installation cost etc.

As the cost are being recovered from the consumers by way of tariff. Earlier, cost data of various items were approved by Odisha Electricity Regulatory Commission (OERC) in normal practice. Now on the request of OERC, it is decided by the Government to constitute a Committee comprising of the following members to recommend the cost data of various items used in electrification works of OPTCL and DISCOMS to the E. I. C. (Electricity)-cum-PCEI, Odisha, Bhubaneswar :—
